

About WinKong Marine

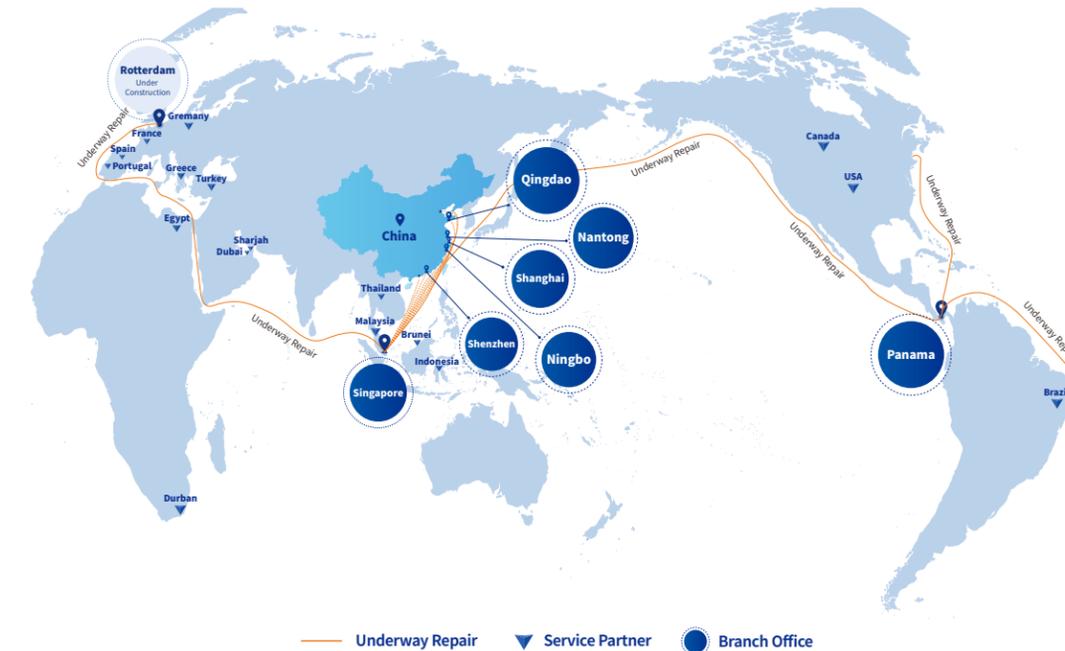

WinKong Marine Engineering Co., Ltd.(WinKong Marine) was established in 2005, an enterprise of platformized service and full-life cycle service that provides specialized, refined, special and new engineering and technical service, committed to becoming a maritime service technology leader, standard setter, and value creator in the era of digital economy. With headquarter in Qingdao, WinKong Marine set up branch offices and workshops in Nantong, Shanghai, Ningbo, Shenzhen, Singapore and Panama. There are around 500 employees and over 290 of them are engineers and technicians. WinKong Marine could offer over 200 technical services and over 82,000 products for ships, provide repair service around 5,000 vessels annually, and get 30+ authorizations from equipment makers.

MAKE THE SHIPPING SAFER
MAKE THE OCEAN BETTER

Service Excellence System Authorizations

HD HYUNDAI MARINE SOLUTION TECH	Strategic Partner 2/4 Stroke Engine & M/E Remote Control System, MSBD, FGSS, EGCS, LFSS, etc	TECHCROSS	Best Partner & China Training Center One-Stop Solution of Equipment Sales, Commissioning, Design, Supervision, Spares for BWMS and AMP
CSSC 中船发动机	Diesel Engine Maintenance and Repair, Spare Parts Supply	J-ENG Japan Engine Corporation	UEC/UE Eco Diesel Engine Repair, Engine Parts Recondition
Hanwha Engine	Diesel Engine Repair and Maintenance, Spare Parts Supply	TAIYO ELECTRIC CO.,LTD.	AMS/MSB/ECC/Alternator/Motor Exclusive Service & Spare
Indar An Ingeteam brand	AXFLE Generator/Motor After-sales Service	Kawasaki	Bow Thruster Supervision

WINKONG MARINE

One-Stop Engineering Service

- Platform Service
- Long-Term Service Agreement (LTSA)
- Full Chain IT Management
- Increase Efficiency and Reduce Cost
- Integration of Service Internet & IIOT Full Life Cycle Service
- Green & Decarbonization One-stop Solutions
- Remote Technical Support
- Service Excellence System-Customer Delight

Services and products Ship Repair

- ✓ Underway/Riding Repair
- ✓ Manufacturer Authorization
- ✓ High-quality Control
- ✓ Global Network
- ✓ Exchange Repair
- ✓ Quick & Worry-Free
- ✓ AR Empowerment
- ✓ Increase Efficiency and Reduce Cost

Automation Service

- M/E PMS Overhaul Maintenance
- M/E Remote Control System
- AMS & PMS
- Ballast Control Console
- Temperature/Pressure Controller
- M/E & A/E OMD
- Water Ingress System
- Auxiliary Boiler Automatic Control System
- Alternator Service
- D/G Safety Alarm
- Fixed Gas Detection System
- BWTS Periphery Modification and Cable Connection Job
- ACB Overhaul
- VCB Overhaul
- Cargo Tank Pressure & Temperature Monitoring Sys
- 15PPM & ODME
- Cargo Tank & Ballast Tank Gauge Calibration
- IG System
- Gas Detector System
- AMP
- Pressure & Temperature Calibrator Calibration
- Monorail/Windlass/Mooring Winch

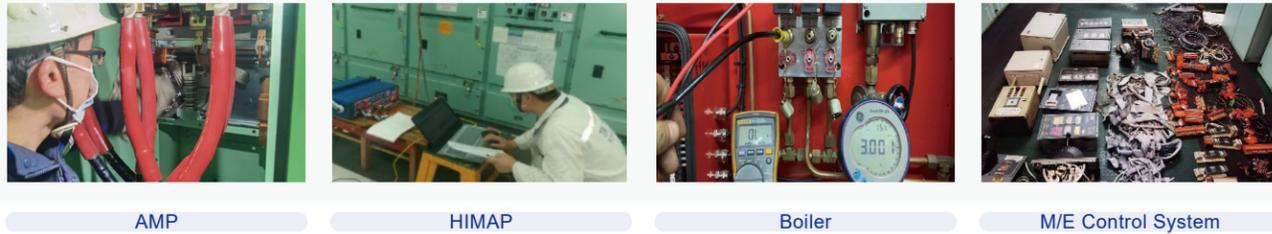

Engine & Machinery Service

- ME/RT-FLEX/WX Engine Maintenance
- FIVA & HPS & ICU & PCV Bench Test
- Bearing Inspection
- A/E Governor Overhaul
- M/E T/C Overhaul
- T/C Overhaul
- Laser Cladding
- Bow Thruster Overhaul
- SCR Health Check and Nox Measurement
- Dual Fuel Engine
- Fuel Oil Pump Overhaul
- Lubricator System Overhaul
- LDM
- Wave Cutting Insitu & in Workshop
- Liner Honing for M/E & A/E
- Insitu Machining
- Turbine Maintenance

Hydraulic

- Hatch Cover
- Hydraulic Pump Overhaul
- Hydraulic Motor Overhaul
- Deck Crane
- Ramp System
- Steering Gear Overhaul
- Monorail/Windlass/Mooring Winch Overhaul
- Hose Handling Crane
- Hydraulic Control Valves
- Car Carrier Ramp/Stern Bridge/Deck Lifter

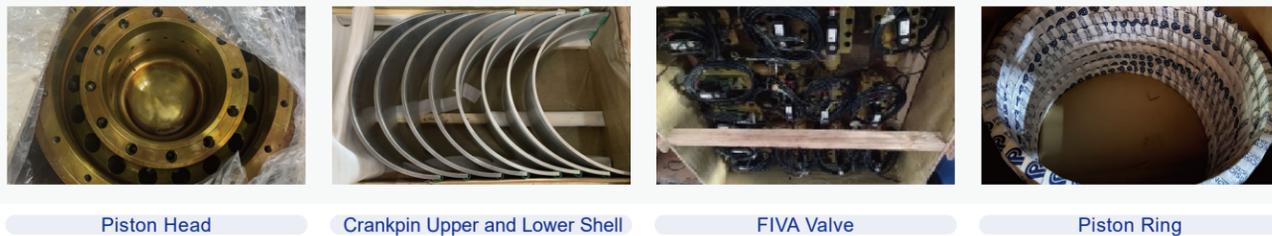

Automation Service

Engine Machinery Service

Spare Parts Sales- 82,000+ Ship Equipment&Spare Parts Global Supply

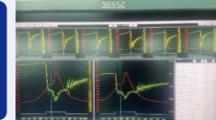

Testing Workshop, Machining/Cladding Workshop, Recondition Workshop, Bonded Workshop, Training Center

Case References Dual Fuel M/E Maintenance

01 Dual Fuel M/E Overhaul Maintenance

Vessel Type: 210,000dwt Bulk Carrier
M/E Engine: HSD 6G70ME-C10.5-GI

02 Dual Fuel A/E Overhaul Maintenance

Vessel Type: WK123321 Tanker
A/E Engine: Wartsila W8L20DF

Training Certificate
